We're also undertaking projects such as The Siding in Petersham and Highline in Westmead.

> *Ashfield's Best New Address*

Welcome to **The Anders**

In the heart of the inner west, The Anders brings a new level of modern living to the streets of Ashfield. Situated to take best advantage of Ashfield's vibrant restaurants and dining precinct together with the peace and enjoyment of quiet residential amenity, The Anders gives the discerning buyers the best of both worlds. The Anders' collection of one, two and three-bedroom apartments are bathed in natural light, with a spectacular rooftop garden perfect for entertaining family and friends.

A Chef's Kitchen

Cooking up a storm has never been easier. With Smeg appliances and sleek stone benches, these designer kitchens are perfect for entertaining guests, family dinners or creating a romantic dinner date in.

A Grand First Impression

Step inside your new home. Every feature of your apartment has been thoughtfully considered to create a contemporary and highly liveable space for you to make your own. A sophisticated and spacious floorplan is designed around open-plan living. Dressed in elegant wood flooring, apartments feature floor-to-ceiling windows creating a seamless connection with the outdoors.

Luxurious new bathrooms

Bathrooms within The Anders combine timeless finishes with statement design. These contemporary spaces have the look and feel of a five-star hotel, with an oversized rain shower and practical mirrored storage, all accentuated with on-trend matt black tapware.
